

**As the Greek Islands Close for the Winter
Grace Hotels Celebrates Its Award Winning Season**

October 19th 2009: The season's closure at [Santorini Grace](#) sees the hotel celebrating an exceptional summer, further endorsed by its winning nomination as **Greece's Leading Boutique Hotel** at the 2009 World Travel Awards.

The hotel opened the 2009 season with an additional eight rooms and suites, including the flagship Grace Suite, plus a dramatic new infinity pool. These new features have contributed to the immense appeal of this idyllic retreat.

Testament to the quality of the rooms, services and facilities at Santorini Grace, this accolade reflects Grace Hotels' ambition to become a global luxury boutique brand. By '*separating the good from the outstanding and identifying companies that consistently excel beyond expectations*' the World Travel Awards encourage world-class competition, stimulate innovation and creativity whilst ensuring that travellers receive exceptional value.

This is not the first time that The Grace Hotels Group has been awarded. The [Mykonos Grace](#) won the European Hotel Design Award in 2007.

From 24th October 2009, both Mykonos Grace and Santorini Grace will close for the winter season to prepare for summer 2010. Further expansion at Santorini Grace will include new al fresco dining terraces.

Summer 2010 reopening dates are:
Mykonos Grace 26th April and Santorini Grace 20th May.
